Agri-Linc EP2 Grease Gun Cartridges (Box of 12) Data Sheet

Product Code HA500356

400g Multi-Purpose EP2 grease cartridges for lubrication points. Natural coloured, mineral oil-based lubricating adhesive grease saponified with a lithium base.

This product is a premium quality grease for use in all anti-friction and plain bearings subjected to high load conditions. The incorporation of extreme pressure and anti-wear additives imparts a high degree of wear protection against load. Used extensively for lubrication of roller and slip bearings, besides use in construction, machines, vehicles and agricultural equipment. This product has a high degree of corrosion protection and can be used in dusty and damp operating conditions.

DIRECTIONS FOR USE:

- Agri-Linc EP2 Multi-Purpose Grease can be applied manually, or by using a standard grease gun or via a central lubricating system designed for and capable of pumping an NLGI No. 2 grease.
- When using for the first time, check compatibility with grease applied previously and if necessary purge bearings prior to apply the new grease
